HOW TO USE SPEEDQUEEN FRONT LOAD WASHERS & DRYERS

- Insert soap/bleach/softener into the dispenser on the front of the washer. Use only 1/3 cup of detergent.
- Load your clothes into the machine loosely. Do not overload the machine or the water will not be able to flow evenly through the clothes.
- Choose your cycle and press "Start" to run the machine (wash cycle time is 25 minutes and dry cycle time is 45 minutes).
- If you remove your clothes from the dryer and fold them right away, you will have less wrinkles and there will be no need to iron!

LAUNDRY ALERT & MACHINE AVAILABILITY ONLINE

- Log into: www.laundryalert.com
- The Rice password is: rice3927
- You will see the list of laundry rooms and the machines that are in use.
- Click on the laundry room you wish to use.
- Click on "Let Me Know" in the upper left corner to be contacted when a machine is available or when your load is done.

PLEASE remove your clothes from the machine when the cycle finishes so that your hall mates may do their laundry.

FOR STAINS:

Please see the "Stain Stain Go Away" instructional sign.

FOR SERVICE:

Please email work@rice.edu and include the machine number in your email.
